

ANTaR ACT

Justice, Rights and Respect for Australia's First Peoples

ANTaR is an independent, not-for-profit and community-based organisation working to promote justice, rights and respect for Australia's First Peoples. ANTaR listens to and supports the aspirations of First Peoples and works to educate the wider community, shape public opinion, speak up against injustice and influence public policy to advance our vision.

ANTaR ACT

ANTaR is a national organisation with state and territory ANTaR groups. At ANTaR ACT, we work on both national and local issues, helping to support the campaigns of ANTaR national while also focusing on issues specific to the ACT.

To do this, ANTaR ACT works with local Aboriginal and Torres Strait Islander organisations to understand local issues, support local events and raise concerns. We also work with other community organisations to encourage respect for the rights and cultures of Aboriginal and Torres Strait Islander peoples.

ANTaR ACT participates in shaping and implementing national campaigns, maintaining regular contact with our national office.

We work on a wide range of issues, including youth justice and constitutional recognition.

As well as running campaigns, we have stalls at community events providing information and selling goods produced by Aboriginal communities.
